(B) by not taking into account any gain or loss from the sale or exchange of a capital asset, and

(C) by treating the calendar year as the company’s taxable year.

**(2) Capital gain net income**

**(A) In general**

Except as provided in subparagraph (B), the term “capital gain net income” has the meaning given such term by section 1222(9) (determined by treating the 1-year period ending on October 31 of any calendar year as the company’s taxable year).

**(B) Reduction by net ordinary loss for calendar year**

The amount determined under subparagraph (A) shall be reduced (but not below the net capital gain) by the amount of the company’s net ordinary loss for the calendar year.

**(i) Net capital gain**

The term “net capital gain” has the meaning given such term by section 1222(11) (determined by treating the 1-year period ending on October 31 of the calendar year as the company’s taxable year).

**(ii) Net ordinary loss**

The net ordinary loss for the calendar year is the amount which would be the net operating loss of the company for the calendar year if the amount of such loss were determined in the same manner as ordinary income is determined under paragraph (1).

**(3) Treatment of deficiency distributions**

In the case of any deficiency dividend (as defined in section 860(f))—

If—

**(B) Election revocable only with consent**

An election under this paragraph, once made, may be revoked only with the consent of the Secretary.

**(5) Treatment of foreign currency gains and losses after October 31 of calendar year**

Any foreign currency gain or loss which is attributable to a section 988 transaction and which is properly taken into account for the portion of the calendar year after October 31 shall not be taken into account in determining the amount of the ordinary income of the regulated investment company for such calendar year but shall be taken into account in determining the ordinary income of the investment company for the following calendar year. In the case of any company making an election under paragraph (4), the preceding sentence shall be applied by substituting the last day of the company’s taxable year for October 31.

**(6) Treatment of gain recognized under section 1296**

In the case of a company making an election under paragraph (4), the preceding sentence shall be applied by substituting the last day of the company’s taxable year for October 31.

**(f) Exception for certain regulated investment companies**

This section shall not apply to any regulated investment company for any calendar year if at all times during such calendar year each shareholder in such company was either—

(1) a trust described in section 401(a) and exempt from tax under section 501(a), or

(2) a segregated asset account of a life insurance company held in connection with variable contracts (as defined in section 817(d)).
